

Invitation to BOOS and HIROMB Annual Meetings and workshop

Meeting Place: Danish Meteorological Institute, Lyngbyvej 100, 2100 Copenhagen, Denmark
Date: 10-12 May 2010

Preliminary program:

Monday 10 May

8.30-9.00 Registration
9.00-17.00 BOOS Annual Meeting
19.00- BOOS Dinner

Tuesday 11 May

8.30-9.00 Registration
9.00-17.00 Scientific workshop

Wednesday 12 May

9.00-17.00 HIROMB Annual Meeting

The scientific workshop has three main themes:

1. Operational modelling with focus on data assimilation
2. NRT data exchange methods and techniques related to EU-projects like SeaDataNet, Myocean and ECOOP and also BOOS ftp
3. Emerging technologies in shallow sea observations

Presentations to the workshop are invited. Please submit title and short abstract if you wish to give a presentation.

The deadline for registration and submission of abstracts is **April 23, 2010**

Please send your registration and abstracts electronically to Nicolai Kliem, nk@DMI.dk

Detailed workshop schedule and annual meeting agenda will be sent to the participants soon after the abstract deadline

DMI is located right at Ryparken Station, and the easiest way of getting to DMI is by taking the train. Information on transport can be found at: <http://www.rejseplanen.dk>

Information on accommodation in Copenhagen can be found at <http://www.dkhotellist.com>
